DISEASE PRODUCED BY SLEEPING TOGETHthere is considerable exhalation from our bodies, and at the same time we absorb a large quantity of the vapors of the surrounding air. Two healthy young children sleeping together will give and receive healthy exhalations; but an old, weak person near a child will in exchange ER -During the night, says a writer on hygienics, old, weak person near a child will, in exchange for health, only return weakness. A sick mother near her daughter communicates sickly emanations to her; if the mother has a cough of long duration, the daughter will at some time also cough and suffer by it; if the mother has pulmonary consumption, it will be ultimately communicated to her child. It is known that the bed of a consumptive is a powerful and sure source of contagion, as well for men as for women, and the more so for young persons. Parents and friends ought to oppose as much as is in their power the sleeping together of old and young persons, of the sick and of the healthy.

VALUABLE POTOMAC LAND FOR SALE .- By virtue of a decree of the Circuit Court of Westmoreland county, Va., in the suit of Stuart, trustee, vs. Kinzer and others, I as Commissioner, in said decree appointed, wil proceed to sell, on the 22d DAY OF JULY 1867, at the Court House, in Westmoreland county, Va., at public auction, to the highest bidder, that well-known TRACT OF LAND, in the decree mentioned, called 'LONGWOOD.'

This fine estate lies in the county of Westmoreland, immediately on the Potomac, and is bounded on two sides by that river and Pope's Creek. The tract contains upwards of sixteen hundred acres of land, a large portion of the open land being flat, and lying on he creek and river. The land is of excellent quality, and adapted to all the staple crops of the country.— Navigation is at the door, and of easy access for the shipment of grain, timber, cord-wood and other marketable commodities, and the waters abound in crabs, fish and wild-fowl, in their respective seasons.

There is growing upon the land an extensive body of pine, chestnut, oak and locust timber, which, owing to the increased demand for timber and fuel, add greatly to the value of the es-

A further description of this estate is deemed unnecessary, as any person wishing to purchase will, no doubt, visit and examine the premises.

The title to this estate is unquestionable. Private offers will be received until the 10th day of July, and may be addressed to G. W. LEWIS, esq., at Oak Grove, Westmoreland county, Va., or to WM. R. DOZIER, Alexandria; but it not sold by that day, it will be sold at public auction, at the time and place first mentioned. The terms will be liberal, and made known
